Death is the future for everyone.
It is the Last Post of this life and the Reveille of the next.
Death is the end of our present life, it is the parting from loved ones; it is the setting out into the unknown... Death, like birth, is only a transformation, another birth.
When we die we shall change our state, that is all.
And with faith in God,
it is a easy and natural as going to sleep here and waking up there.

"If there is anything in this life that sustains a wise person and helps to maintain serenity amid the tribulations and adversities of the world, it is first and foremost I believe the meditation on and knowledge of the Scriptures." - St Jerome

The aim is not more goods for people to buy, but more opportunities for them to live.

Two men looked thro' prison bars;
one saw mud, the other saw stars.

*'Christ does not force our will,
'He only takes what we give Him.
But He does not give Himself entirely
until He sees that we yield ourselves
entirely to Him.'*
