Yesterday is always near, its memories live inside me  
With joys that can still warm my heart and lessons that guide me still.  
Tomorrow always beckons and its promise can inspire  
New efforts to achieve and grow, to aim forever higher.  
But today alone is truly mine, with each and every minute  
Awaiting my full energies to be invested in it -  
My mind to be directed to meet challenges and duties,  
My senses to be conscious of unique and precious beauties,  
My heart to be devoted to each chance for warmth and giving -  
Today alone is truly mine to fill with happy living.

God, our Creator, we thank you for our families:

for the love we feel for our parents, brothers and sisters;

for the companionship;

for the support and advice;

for the fun we have together;

for the celebrations which mark special occasions.

Help us not to take our families for granted.

Show us how we can play our part in the life of our families.

Through Christ, Our Lord, Amen.
