Who helped you to distinguish between right and wrong?  
Whose example influenced you most as a child?

*'Four marks of true repentance are:  
acknowledgement of wrong,  
willingness to confess it,  
willingness to abandon it,  
and willingness to make restitution.'*

**MAY THEY BE ASSURED ALWAYS OF THE LORD'S CARE.**

Lord Jesus, you are the light of the world. We want to walk in your light; we want our children to walk in your light. Lord Jesus, show us how to respect the world which is entrusted to our care. Inspire us to treat all other people with respect and care. Instill in us respect and love for God our Father, who holds all things in existence. We pray that we may always seek to do his will and follow his rule for our world.

**MANY THANKS FOR YOUR GOODNESS AND CARE.**

**You are the decisive element...**

*It is your personal approach that creates the climate.  
It is your daily mood that makes the weather.  
We possess tremendous power to make life miserable or joyous.  
We can be a tool of torture or an instrument of inspiration.  
We can humiliate or humour, hurt or heal.  
In all situations, it is our response that decides whether a crisis is escalated or de-escalated, and a person is humanised or de-humanised.  
If we treat people as they are, we make them worse.  
If we treat people as they ought to be,  
We help them become what they are capable of becoming...*

**Strength and Courage...**

*It takes strength to be certain, it takes courage to have doubts.  
It takes strength to fit in, it takes courage to stand out.  
It takes strength to share a friend's pain, it takes courage to feel your own pain.  
It takes strength to hide your own pain, it takes courage to show it and deal with it.  
It takes strength to stand guard, it takes courage to let down your guard.  
It takes strength to conquer, it takes courage to surrender.  
It takes strength to endure abuses, it takes courage to stop them.  
It takes strength to stand alone, it takes courage to lean on a friend.  
It takes strength to love, it takes courage to be loved.  
It takes strength to survive, it takes courage to live...*

Father, I know that your love for me knows no bounds.  
When darkness has fallen  
your voice from the heavens resounds.  
Saying "Trust and believe, come and walk on my road to its end".  
Then take me home Father, Spirit and Son,  
my master and friend.

Spirit, I know that your truth is spoken each day.  
But power and greed change the creed,  
leaving truth to decay.  
So let the heavens resound with hosannas to you,  
Holy One, For in you Father, Spirit and Son,  
the battle is won.

Jesus, I know that your love for me has no end.  
My faith growing stronger each day that on you I depend.  
When my doubting subsides,  
when I'm finally brought to my knees;  
Through my prayer, Father, Spirit and Son,  
your grace is revealed.

The Life and death of each of us has its influence on others; if we live, we live for the Lord; and if we die, we die for the Lord. This explains why Christ both died and came to life, it was that he might be both Lord of the dead and the living. We shall all have to stand before the judgement seat of God; as scripture says; By my life – it is the Lord who speaks – every knee shall bend before me and every tongue shall praise God, therefore, that each of us must give an account of himself.

**REFLECTION –**

**A THOUGHT FOR THE COMING WEEK**

*Is there anything I can do about the dangers to our planet? Firstly, It is right to be concerned - and we can make sure that our use of this earth's resources truly reflects the value of God's creation. We all need to be concerned about what is happening. We have to be reassured that something like Chernobyl never happens again - we have to voice our anxiety about the destruction of the rain forests in South America. What about Industrial pollution that is killing off animal and vegetable life in our own countries? There is only one earth and we are part of it. The one earth provides the support system for all life. It is the generations that will follow us that will condemn us. In the mean time we must also answer to God for our abuse of his creation.*
