THIS WEEK

Set aside five minutes of every day to spend time in prayer with God.

Think of people who may be asking for time or help; give time and help out of love, not for peace and quiet.

**WRVS - positive about age and practical about life
- what a great motto!!!**

The month of November is the time we think of our dead. We purposefully make time for our dead in thought, prayer and visitation to their place of rest. It is simply what we do, at this time of year.

When this month comes round, we see the signs of death, as nature lies in repose on the landscape all around us. It is a bleak time for nature and a bleak time for those freshly mourning and those who bear old wounds of loss.
