'Dear lay faithful, as witnesses to Christ you are...called to bring the light of the Gospel to the vital nerve centres of society. You are called to be prophets of Christian hope and apostles of the One "who is...who was and who is to come, the Almighty!" (Rev. 1:4).' (Pope St John Paul II)

We remember all those who have died recently - JOAN FLOOD, PIETRO RONCI, GARY DOHERTY, CANON JOHN GUNN, SHEILA COLE, ANNE GIANCHETTA, KAREN McGROGAN, and MONICA BYRNE - RIP - and all those who have died because of violence, terrorism, and tragedy - all those whose anniversaries occur at this time - all those who have died in the conflict in the Ukraine.
ETERNAL PEACE AND HAPPINESS, GRANT TO THEM ALL, LORD.

We remember in prayer Families and Friends who miss the presence of someone they love.
MAY THEY BE ASSURED ALWAYS OF THE LORD'S CARE

A PRAYER FOR LIFE

O Heavenly Father, you are the source of all love and of all life. Give us strength to be pro-life. Help us to show love for mothers-to-be who face problems and pressures to have the new life in their wombs destroyed. Give us gentleness and wisdom - in our counselling and perseverance - in the practical help we give them during pregnancy and after birth.

We pray for all victims of deliberate destruction of pregnancies, born and unborn. Help us to console those damaged emotionally and spiritually by abortion. We pray for our doctors, nurses and teachers, that they may be true to the God of Life. We pray that our society may be enlightened by your love and learn to show the utmost respect for all human life and for all your creation.

ADVANCE NOTICE - THE FIRST MEETING TO PLAN AND TO PREPARE FOR THE CELEBRATIONS TO MARK THE 60TH ANNIVERSARY OF THE FOUNDATION OF THE PARISH OF ST JOHN FISHER. BISHOP AND MARTYR ON SATURDAY 22 JUNE 2024 THURSDAY JUNE 29TH 2023 7-45PM - 9-00PM

THE PARISH CENTRE ALL ARE WELCOME

God's timetable is different from ours.

Have you noticed that when we pray for something, we not only make our request, but we set the delivery date. Is that right? Shouldn't we leave God to deliver the goods when He sees fit? We must understand that heaven's clock is different from ours. We operate in the realm of time; but God operates in the realm of eternity. Simon Peter wrote, "One day with the Lord is as a thousand years and a thousand years as one day." God never has too little time. He is always right on time. So when we request something from God, we must be patient. Our prayer will always be answered, but always God's way.

Another reason why we do not understand is because God thinks differently from the way we think. We can only see our way. God has a panoramic view of life. Spread out before Him is the total picture of history. If we fail to understand all God's ways it is because our human intelligence is finite and limited, so God's ways are bound to be mysterious to us. We experience life one event at a time. We must be patient and try to understand that God's thought processes are different from ours. He knows everything and see everything in one glance.

I remember a conversation a young boy had with his father. He said, "Dad, I think God made some mistakes when He made the world." "Really son? What makes you say that?" "Well, take for example this oak tree. It's big and strong and its fruit is a tiny acorn. Now look at that tiny plant, how frail it looks and its fruit is a huge marrow. You would have thought it would have made more sense if the marrow had been the fruit of the oak and the acorn the fruit of that frail plant." At that very moment a slight breeze stirred the oak tree and an acorn fell and hit the boy on the head. He rubbed his head, smiled and said, "Dad, thank God, it wasn't a marrow!"

WE FORGET We ask for a piece of sand and he gives us a beach. We ask for a drop of water and he gives us an ocean. We ask for time and he gives us life eternal. And it is so easy for us to fall in love with the gift and forget the giver.
